*When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love*

*When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love*

*The storms are raging on the rolling sea
And on the highway of regrets
The winds of change are blowing wild and free
You ain't seen nothing like me yet*

*I could make you happy make your dream come
true
There's nothing that I would not do
To make you feel my love*

(Words and music by) Bob Dylan
