As Your Comforter Speaks

*Through your pain that will sojourn
But a little while
Be careful to listen and you will smile
As your Comforter speaks
He will restore your joy
And give you peace
Your solace will be found
In the arms of your Comforter
So listen as He speaks
His spirit whispers renewal
He will breathe within you
Causing you to live on
Reminding you to love strong
Your new day dawns with hope
And the promise of eternity
Embrace your Comforter
Rejoice through your tears
And listen as He speaks*
