

To My Family Et Friends

*Just close your eyes and you will see
All the memories that you have of me.*

*Just sit and relax and you will find
I'm really still there inside your mind*

Don't cry for me now I'm gone

For I am in the land of song

There is no pain, there is no fear

So dry away that silent tear

Don't think of me

in the dark and cold.

For here I am, no longer old

I'm in the place that's filled with

Love known to you all, as

"Up Above"

Tribute

God saw the road was getting rough,

The hill were hard to climb.

*You gently closed your loving eyes
and whispered, "Peace Be Thine."*

Your weary hours and days of pain,

Your weary nights are passed,

Your ever strong but worn out frame

Has found sweet peace at last.

With Love,

Your Daughter
