Safely Home

*Life for me has been good and long
I have done my work
I have sung my song
Now as the twilight shadows fall
I must quietly go and answer the call
My Savior calls and I must go
To live with him on Heaven's shore*

*All the pain and grief are over,
Every restless tossing passed
I am now at peace forever
Safely home in heaven at last*

*Jesus came himself to meet me
In that way so hard to tread
And with his arm to lean on
Could I have no doubt or dread*

*Then you must not grieve so sorely
For I love you dearly still
Try to look beyond earth's shadows
Pray to trust our Father's will*
