

Angel In Me

As you look around, reflect, and take heed
You might think with regret that we failed to succeed
I want you to know that is not true, it can't be
Because you now have an angel in me

You made my life beautiful and so full of love
My heart is now full and I fly like a dove
We won; it was a team victory
And now you have an angel in me

I don't feel cheated or that my time was cut short
I lived, I loved, and had so much support
As you face each day please know and believe
That now you can have an angel in me

Take risks, have fun, and reach for your dreams
Don't worry about falling or scraping your knees
My hands, though invisible, will catch you if need
Because now you have an angel in me

There can be so much of life to learn and discover
Find magic, make waves, and inspire one another
I'll guard you, I'll protect you, and I'll never flee
Because now you have an angel in me

Make each day an adventure to learn something new
I'm watching, I'm here, I'm always with you
My wings are spread wide and I'm here to oversee
Always know you have an angel in me

Go forth in your life and live without fear
I promise to sprinkle in things to remind you I'm here
I hope they will bring laughs, smiles, and bravery
Because now you have an angel in me

One last thing you can do for my sweet family
Is write them a letter sharing a fond memory
It will serve as a reminder and help them to see
They will forever have an angel in me

To my Love

As I Sit in Heaven As I sit in Heaven and
watch you every day, I try to let you know,
with signs, I never went away. I hear you
when you are laughing and watch you
as you sleep, I even place my arms
around you, to calm you as you weep. I
see you wish the days, begging to
have me home, So, I try to send you
signs, so you know you're not alone.
Don't feel guilty that you have life
that was denied to me, Heaven is
truly beautiful, just you wait and see.
So live your life, laugh again, enjoy
yourself, be free, Then I know with
every breath you take, You'll be
taking one for me.
