Together George and Jeanette made their home in Bluffton where they raised their family. George was employed with the Wadena Dairy Lab for 8 years and then Bluffton Creamery for 25 years, retiring in 1994. George enjoyed cutting meat at Dean's Country Market and the Mills Locker Plant.

During their younger years George and Jeanette enjoyed going to dances, playing pranks, bowling mixed double league with their close friends Jim and Bea. They loved taking their family on summer vacations every year to an area lake and spending time with their grandchildren and great-grandchildren. George was an avid Twins and Bluffton Braves fan and enjoyed a trip to the casino.

God saw he was getting tired
And a cure was not to be,
So He put his arms around him
And whispered "Come with Me."
With tearful eyes we watched him suffer,
And saw him fade away
Although we loved him dearly,
We could not make him stay.
A golden heart stopped beating.
Hard working hands put to rest,
God broke our hearts to prove,
He only takes the best.
