I'm Free

*Don't grieve for me, for now I am free
I'm following the path God laid for me.
I took his hand when I heard him call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.*

*If my parting has left a void
Then fill it with remembered joy.
A friendship started, a laugh, a kiss,
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your heart and share with me
God wanted me now; He set me free.*
