

IN LOVING MEMORY

Gloriann Waln

*There's a special Angel in Heaven
that is a part of me.
It is not where I wanted her
but where God wanted her to be.*

Tribute to Mother

God saw that you were suffering.

The hills were hard to climb.

He gently closed your loving eyes,

And whispered "peace be thine".

Your sleepless nights are over,

And restless tossing passed.

Your ever-tired worn-out frame

Has found peace at last.

Your memory to us is a keepsake

With which we will never part.

Though God has you in His keeping,

We will always have you in our hearts.
