Don't grieve for me, for now I'm free
 I'm following the path God laid for me.
 I took His hand when I heard Him call
 I turned my back and left it all
 I could not stay another day
 To laugh, to love, to work or play
 Tasks left undone must stay that way
 I found that peace at the close of the day
 If my parting has left a void
 Then fill it with remembered *Joy*
 A friendship shared,
 a laugh, a kiss Ah, yes, these things I too will miss
 Be not burdened with times of sorrow
 I wish for you the sunshine of tomorrow
 My life has been full, I've savored much
 Good friends, good times, *a loved one's touch*
 Perhaps my time seemed all too brief
 Don't lengthen it now with undue grief
 Lift up your heart and share with me
 God wanted me now, He set me **FREE!**
