Rebecca "Becky" Weimortz Gilson

AUGUST 13, 1950 – JULY 27, 2020

*She taught me what it means to love unconditionally.
And how to treat everyone how you would want to be treated.
She taught me that, even on the hardest days, you should
always wear a smile.*

*And each time you have the opportunity to, go the extra mile.
Everyone that knew her, knew that she was the definition of
pure joy*

*Her smile was infectious, not a bone in her body was coy.
Family was her everything; she'd do anything she could for them
We always knew where to come on a bad day and find that loving grin.
Her greatest joy was being GG to four precious little loves
Whether laughing, smiling, or playing games with them, to her, they were
angels from above.*

*We will miss her witty nature and her smile, so genuine and pure
But we know her body is fully healed, and she is dancing with the Lord.*

So, rest easy sweet Mama, until we meet again

In the meantime,

we will cherish the memories of you, our wife, Mama, GG, sister, and friend.
