

# Remembering ROSIE L. DAVENPORT

Perhaps you dropped by to say hello, or called us on the phone. Maybe you visited for a while to keep us from being alone. You may have sent flowers or sent a card to show us that you cared. You possibly did not come at all, but lifted us up in prayer. Whatever kindness you extended to our love one passing is accepted, which sincere gratitude and thanks that is everlasting. Our family wishes to extend our sincere gratitude for the many acts of kindness shown to us. We will never forget those who reached out to us in love or through words of encouragement.

# *“Weep Not”*

Weep not for me  
though I have gone  
Into that gentle night  
Grieve if you will,  
but not for long  
Upon my soul's sweet flight  
I am at peace,  
my soul's at rest  
There is no need for tears  
For with your love  
I was so blessed  
For all those many years  
There is no pain, I suffer not  
The fear is now all gone  
Put now these things  
out of your thoughts  
In your memory, I live on  
Remember not my fight for breath  
Remember not the strife  
Please do not dwell upon my death  
But celebrate my life

*See You Birds Later,  
Rosie*

# *A Loving Sister*

## *"A LETTER TO MY WIFE"*

Sometimes it is hard to find words to tell how much you mean to me.  
I'd tell you that I love you to the moon and back, to infinity and beyond forever  
and ever. If I did anything right in my life, it was when I gave my heart to you.  
I was suppose to spend the rest of my life with you and then realized,  
you spent the rest of your life with me.  
I smile because I know you loved me till the day you went away  
and will keep loving me til the day we're together again.

*Love You Rose - Your Loving Husband,  
Eddie Davenport*

# *We Loved Our Beloved Sister*

*Today's Little Moments, Become Tomorrow's Precious Memories*

# To Our Loving Mother

## "Roses In Heaven"

*If Roses grow in Heaven, Lord, please pick a bunch for us. Place them in our Mother's arms and tell her they're from us. Tell her that we love her and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for awhile. Because remembering her is easy, we do it every day, but there's an ache within our heart that will never go away.*

# Our Adoring Grandmother

## "Dear Granma"

*My Darling Granma,  
We will forever hold in our hearts  
in which we have truly learned  
the most from.  
Your strength as a wonderful mother  
to our mother's and fathers,  
and which we hope to gain  
in raising your great grandsons  
and great granddaughters .*

*My Darling Granma,  
as you enter your new Heavenly home,  
may you rest in peace for  
which you truly deserve.  
For you will be truly missed  
and remembered for your love  
and honor in which we will preserve.  
We love you always and forever,  
and May God be with you.*

*Love Always,  
Your Grand and Great Grandchildren*
