

Expressions of Love

Perhaps you sang a lovely song or sat quietly in a chair. Perhaps you sent beautiful flowers, if so we saw them there. Perhaps you spoke the kindest words, as a friend would say. Perhaps you were not there at all, just thought of us that day. Perhaps you prepared some tasty food or maybe furnished a car. Perhaps you rendered a service unseen, near at hand or from afar. Whatever you did to console our hearts, we thank you so much whatever the part. May God forever bless each of you.

The Life of William

EARL VANCE

MAY 2, 1991 - NOVEMBER 12, 2020

William Earl Vance was born on May 2, 1991 to William Earl Valentine, Jr. and Felicia Ann Vance. He was born into this world as a very tiny baby but grew into a handsome gentle giant.

William was raised in DeSoto and Dallas, Texas. He attended DeSoto High School and L.G. Pinkston High School. He was a member of Bethlehem Pentecostal Holiness Church in Dallas under the leadership of Pastor Terryon Jefferson, Sr.

William was known for his superb basketball skills at 6'8" he could play hard and slam dunk right in your face. He was just a big teddy bear and a big kid at heart. God created William different than most people. He saw people and he never judged or thought the worst of them no matter what they did. William had a very special love in his heart for his two nieces, Serenity and Harmony.

William departed this earthly life on November 12, 2020. He was preceded in death by his father, William Earl Valentine, Jr. and his aunt, Sharla Valentine.

His memory lives through his father, Lazerek Phillips; mother, Felicia Ann Phillips; two brothers, Christian Nicholas Spellin and Xavier Valentine; sister, Keyara Sharon Vance; grandfathers, Eugene I. Vance, Jr.; William Earl Valentine, Sr., Winfred T. Jerry, and Toby L. Webb; grandmothers, Doris A. Vance, Gloria J. Webb, Rosie M. Walker, and Sherry Jackson Valentine, along with a host of other relatives and friends.

Expressions of Love

My Son... Words cannot begin to express how lost and hurt I am right now. There is a huge void in my heart that will never be filled or replaced. I love you so much William! I'll miss being able to cook for you. You used to tell everyone "man my mama can cook!" I will miss your voice, smile and face. William, I will miss and love you Will.

Your Mom, Felicia

Son... I just really love you and I am going to truly miss you. I will always cherish and remember watching you grow. All the good times will stay in my heart, including all of our basketball games, playing videos games and God just blessing me and allowing me to raise and just be there as your dad. I love you so much Will.

Your Dad, Lazerek

Little Brother... You know what it was with me and you. I love you Will! I just love you man. I am going to miss you little brother.

*Love Always,
Brother - Chris*

Hey Bro! To my tall and loving big brother, William. I never thought I would ever see this day. They took my second half away. We did everything growing up together. Even though as we got older, we grew apart, you would always call and tell me that you loved me and your nieces. Though I hate to see you go, I know I will see you again.

Your Little Sister, Keyara

Uncle Bill... We love you and miss you!
Serenity and Harmony
