## "WHEN TOMORROW STARTS WITHOUT ME"

When tomorrow starts without me,  
and I'm not here to see  
If the sun should rise and find your  
eyes all filled with tears for me  
I wish you wouldn't cry  
the way you did today  
While thinking of the many things  
we did not get to say.  
I know how much you love me,  
as much as I love you  
Each time that you think of me,  
I know you will miss me too.  
When tomorrow starts with out me  
So When Tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart.
