

Dad

He never looked for praises
He was never one to boast
He just went on quietly working
For the ones he loved the most.
His dreams were seldom spoken
His wants were very few
And most of the time his worries
Were unspoken too. He was there...

A firm foundation
Through all our storms in life
A sturdy hand to hold on to
In times of stress and strife.
A true friend we could turn to
When times were good or bad
One of our greatest blessings
The man that we called Dad.

Love,
Your Children

Goodbye Grandad

So heaven has received another angel
The night sky another star
Your life has become a loving memory
I know you will never be far.
We know you are watching over us
As our life goes on
We will treasure the memories we have of you
We can't believe you're gone.
You were a loving, caring grandad
You were there for us a lot
We will always hold a place in our hearts
A loving treasured spot
You were really one in a million
A cut above the rest
All that knew you would agree
You simply were the best.
So grandad we will say goodbye
We love and miss you with all our hearts
But as long as we have our loving memories
We will never be too far apart.

Love,
Your Grandchildren
