

## GOD KNOWS MY TIME

*"Amazing Grace, how sweet the sound that saved a wretch like me;  
I once was lost, but now I am found, it was God's amazing grace."*

Brother Leroy Williamson was one of a kind. I saw God moved into his life and blessed him. He was a man of many talents and he did his job well.

Because of his love and faithfulness, God shall reward.

"God knew his time, when he set me free, because my time was in his hands.

His angel came quietly in the morning and took him by his hands."

His love should always be remembered in our hearts, even when tears are still falling. We know that faith and hope would be a pillow of strength for each and every day. Life must go on, even though when loving hands should not touch and pray together.

"God has called him to something greater and to his place of rest."
