Nana

Nana always understood the things we say and do she overlooks each of our faults and finds the best in us Nana love was a special love there's no greater treasure known the things you did never went unnoticed, you never asked for anything.

You only wanted to love us unconditionally Nana you helped us out and gave advice, You were there when times were bad. You were patient, kind, and had a humble spirit. God took someone who was a Nana to all of us. Now we are left here on earth to prepare for the new world. So that someday we will meet you again, Nana.

You fought a good fight and now it is time for you to take your rest.
