

When tomorrow starts without me
 And I'm not there to see
 If the sun should rise and find your eyes
 All filled with tears for me
 I wish that you wouldn't cry
 The way that you did today
 While thinking of the many things
 That we didn't get to say
 I know that you'll miss me too;
 But when tomorrow starts without me
 Please try to understand
 That an angel came and called my name
 And took me by the hand
 And said that my place was ready in heaven far above
 And that I have to leave those I dearly love
 So when tomorrow starts without me
 Don't think we are far apart
 For every time you think of me
 I will always be in your heart

Your loving family
