

### REMEMBER ME

Remember me when flowers bloom  
Early in the spring  
Remember me on sunny days  
In the fun that summer brings.

Remember me in the fall  
As you walk through leaves of gold  
And remember me in the wintertime  
In the stories that are told

But most of all remember  
Each day right from the start  
I will be forever near  
For I live within your heart.
