*Dear Son,*

**Sayings for Mar**

*Words can't explain how much I am hurting. I remember when you were born, I was the happiest mother in the world. You brought joy to my heart. You always had BIG dreams, and no one could stop you when you had a mission. You said to me "Mom I'm going to make you proud." Well, Jamar, you did exactly that. You made me proud, and I'm happy to say I'm your mother. Sleep, my son. I will make sure your dream becomes reality. "Lethal Desire" "Love Proud Mom"*

*In Loving Memory of my baby boy, may Allah bless your soul. All of our fun times, meals together, laughter, hard lessons learnt, tough times and the I love you will never be forgotten. I love you son. Love Dad*

Mar, you hurt me real bad with this one lil bro. I wake up every day wishing this was all a dream. You're my ONLY sibling and although you were younger than me you thought you were the oldest. I'm going to miss your smile and infectious laugh. Whenever you needed me you knew I was only a phone call away. It hurts me immensely that I wasn't there for you this time. You always had big dreams and a plan, but I know this wasn't part of the plan. I will forever keep your name alive. From the womb to the tomb, I am my brother's keeper. Love Always Big Lil sister(as you called me) Shy

Grandson, although you can't be here with me. We're truly not apart. Until the final breathe I take you will forever be in my heart. Mar I love you forever and ever. Love Grand Daddy

Mar our bornday is on the same day. We have that unique bond and it will always stay with me. I love you nephew. Love Always Uncle Chuckie

Mar Mar, I am so lost for words right now. JAMAR SQUARE as I would say when you called me. I can't believe you're no longer here. I spoke with you the same day you passed away; you called me when you got off work and said Aunt Boogie I want to take you and my Mom out to dinner this weekend. I would've never thought that would be our last conversation. Whenever we talked you would always say Aunt Boogie this is your "Favorite nephew" calling or you going to treat your "favorite nephew" like that. I know you're rearranging everything and getting everyone right. Words can't explain how I'm feeling right now. Please give Mommy & my big bro a hug and kiss for me. Love your favorite Aunt Boogie

Jamar, my little big cousin. I am hurt baby this wasn't in the script. I'm going to miss our conversation, you telling me how to expand "SquareBzz" and how small minded I was (lol) and how Lethal Desire was about to take off especially when I saw you in ATL with the rapper TI and when you were in New York with Jim Jones. I knew it was about to blow up and it still will thru your whole family. Grandma and Uncle Keith needed you more than us. Love you save a spot for me when I get there. Nuke

Mar, you were only 5 months older than me but couldn't tell you that you weren't the big cousin! I love you and I'm going to miss you calling me preaching. Until we meet again J&J 4Life. Jazz

To my little cousin, losing my dad, now losing my cousin. Getting that call wishing it wasn't real. Everytime I think about it, pain is all I feel. My heart is telling me everything will be okay because you're at heaven gates with grandma and your uncle Keith. I'm going to miss your calls, and texts just to make sure everything is ok. Now I'm wishing heaven had a phone so I would be to receive them calls. I'm going to miss you Mar always and forever. Continue to watch over us and I promise I will keep us together forever. Love you always your big cousin Deera

Dear Mar

It hurts so much to see your family cry and hear them ask God Why? We can never replace the smile you can bring upon anyone face and the mark you left on our hearts without a trace. I will remember all the good times we shared leave a seat up there for me. You will always be my "President of New Jersey" Love your sis Deasia

## Poem from his Mother

The moment that you left me,  
 my heart was split in two.  
 One side was filled with memories,  
 The other died with you.  
 I often lay awake at night,  
 When the world is fast asleep.  
 And take a walk down memory lane,  
 With tears upon my cheek.  
 Remembering you is easy,  
 I do it every day.  
 But missing you is a heartache,  
 That never goes away.  
 I hold you tightly within my heart,  
 And there you shall remain.  
 Life has gone on without you,  
 But it can NEVER, EVER be the same.

## Forever In Our Hearts!

God gave us a beautiful father,  
 A father who never got to grow old,  
 You were always there  
 With a helping hand.  
 Help us now to accept His plan.  
 We miss you now, our hearts are sore.  
 As time goes by, we miss you more.  
 Your loving smile, your gentle face.

No one can take our Father's Place"  
 May the angels receive you  
 And may you have rest and peace everlasting.  
 Amen

### Poem from his Sister

My heart has been left broken  
Since the day you had to go  
And the memories I treasure dearly  
Are in the tears that still flow  
You're in my thoughts everyday  
And that's how it will always be  
For you may be up in Heaven now  
But you'll always be with me  
If only I could have the chance  
To see your face once more  
Or to hear your voice one final time  
Just like it was before  
The day that Heaven calls for me  
Will be a relief from all this pain  
I'll run to you with open arms  
And we will meet again.
