Miss Me
BUT LET ME GO

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom-filled room.
Miss me a little-But not too long
And not with your head bowed low
Remember the love that we once shared.
Miss me – But let me go.
For this is a journey that we all must take
And each must go alone.
It's all a part of the master's plan.
A step on the road home.
When you are lonely and sick of heart,
go to the friends we know and bury
your sorrows in doing good deeds.
