Farewell

Rae

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard his call
I turned my back and left it all

I could not stay another day
To laugh, to love, to work, to play
Tasks left undone must stay that way
I've found that peace at the close of the day

If my parting has left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I've savored much
Good friends, good times, a loved one's touch

Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now, He set me free.

I'm Free

*Your Memory Will
Remain In Our Hearts
Forever and Ever!*
