# Loving Thoughts from the Family

For My Son, I will carry your heart with me, I will never be without it,  
anywhere I go, whatever is done, Your Memory will never fade,  
there is a Tree called Life which grows higher than the soul can  
hope for or my mind can hide... Continue your Journey Quay,  
I will always carry you in my heart until we meet again...

Love always, Mom

Dear Quay,

Where you used to be, there is a hole in the world which we find  
walking around in the daytime and falling into at night...  
Our time with you will never be forgotten...

Love always,  
Your Parents, Ashton, Sisters, Mom Mom & Pop Pop,  
Aunts, Nieces, Nephews & Cousins & Cassidy

Dear Grandson,

Our family chain is broken, and nothing seems the same,  
but as God calls us back one by one, the chain will link again...

Love always,  
Pop Pop & Mom Mom

Dear Nephew Quay,

There's no good in goodbye, can't accept it in my heart,  
form it in my mind or release it from my mouth.  
You are now in the arms of the angels looking down  
on us flying away. Continue to fly higher than you ever  
have baby. Spread your wings fly away to prepare a place for us someday.  
Until then we are going to try and adjust to living without you each day.

Rest in Peace Quason  
Love always your Aunts
