

Don't grieve for me, for now I'm free
 I'm following the path God laid for me
 I took his hand when I heard his call
 I turned my back and left it all

I could not stay another day
 To laugh, to love, to work, to play
 Tasks left undone must stay that way
 I've found that peace at the close of the day

If my parting has left a void
 Then fill it with remembered joy
 A friendship shared, a laugh, a kiss
 Ah yes, these things I too will miss

Be not burdened with times of sorrow
 I wish you the sunshine of tomorrow
 My life's been full, I've savored much
 Good friends, good times, a loved one's touch

Perhaps my time seemed all too brief
 Don't lengthen it now with undue grief
 Lift up your heart and share with me
 God wanted me now, He set me free.

Afterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,

of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve to dry before the sun;

of happy memories that I leave when life is done.
