Notice of Address Change

I want you to know that I have moved! I received a call from God, the Chief Architect, who informed me that my new house is ready and that I could move in immediately. I just didn't have time to give you notice.

My new home is finished and it's such a beautiful sight to behold. It is located in an exclusive estate area and sits behind a beautiful pearly gate, just off a serene celestial shore. Of course, the streets are paved with gold and everyday is Sunday here, I have been told.

There is peace, joy, and happiness here with no more pain and cares of the world to bear. No strife nor discontent, there is only sweet serenity everywhere. Let me give you my new address, because I highly recommend you make plans to live here to:

P.S. I don't have a telephone yet, but just call God. If you don't have His number, He's listed in the Good Book on every page contact Him.
