Tribute

Mama you lived a life that only you should, you enjoyed every day as much as you could.

As a 70 year old woman you never really grew old, your smile and laughter so contagious, your heart as pure as gold.

The Angels in heaven were waiting on you to arrive, as we remain here on earth we promise to keep your spirit alive.

You will forever be loved. You will forever be missed. You will forever be 70

Love your kids: Poncho, Deenie, Danyel, Kim, Kendra, grandkids, and great grandkids

I was chosen today. I am learning to fly... The world took me away but please don't you cry. And I choose you today to try and be strong.. so please don't cry or say that I'm gone. When you're feeling alone just remember our love... I'm up near the stars looking down from above. Remember our love and in a moment you will see. That I am still here beside you when you're thinking of me.
