

I'll see you again

Seems like only yesterday
That your laughter filled the air
And whatever I was going through
You were always there
How you gave of all your
love and time to those who were in need
In my heart, you'll always be a part of me.
Though sometimes it's hard
to deal with you not being here
I rejoice that you have
reached that place of peace
Where there is no fear
Heaven has become a little sweeter
Just because you're there
