Electrician's Prayer

God grant me the skill to follow the blueprints as
planned and perform the job at hand.
God grant me the peace of mind to be able to trust
the people I follow behind.
God grant me the strength and desire to pull in the
longest runs of wire.
God grant me the right voltage, so my motors aren't
broke and start to smoke.
God grant me the skill to make my connections right
so the lights burn bright.
God grant me enough time to do what needs to be
done and not place me under the gun.
God grant me patience and understanding even when
the job is so demanding.

Always in our Hearts

John Paul Johnson
