Missing Mama

I awake each morning to start a new day
But the pain of losing you never goes away I go about the
things I have to do and as the hours pass I think again of
you I want to call you and just hear your voice then I re-
member that I have no choice for you are not there and now
my heart cries just to see you again to tell you goodbye to
say mama I love you and I always will and hope that much
of you in me you've instilled the day you left I just didn't
know that you were going where I couldn't go and now all
my memories of you are so dear but gosh how I miss you
and wish you were here who now can hear me cry it is so
hard to tell you mama goodbye someday I know all will be
well and I'll see you again with stories to tell how good it
is to finally be home until then my memories of you I will
keep near and I'll pass them on to those who are dear
I miss you mama
