Let Me Go

When I come to the end of the road and the sun has set for
me, I want no rites in a gloom filled room why cry for a
soul set free?

Miss me little, but not for long and not with head bowed
low remember the love that once we shared miss me, but
let me go.

For this is a journey we all must take and each must go
alone. It's all part of the master plan a step on the road to
home.

When you are lonely and sick at heart go to the friends we
know. Laugh at all the things we used to do miss me, but
let me go.
