ACKNOWLEDGMENTS

PERHAPS YOU SENT A LOVELY CARD,  
OR SAT QUIETLY IN A CHAIR.

PERHAPS YOU SENT THOSE BEAUTIFUL FLOWERS,  
THAT WE SAW SITTING THERE.

PERHAPS YOU SPOKE THE kindest WORDS,  
AS ANY FRIEND COULD SAY.

PERHAPS YOU WERE NOT THERE AT ALL,  
JUST THOUGHT OF US THAT DAY.

Whatever you did to console our hearts  
we thank you so much for whatever part.

EXCLUSIVE EDITION

VOLUME 2001 - 2020

Antonio Lee Burnett Jr. was born on February 24, 2001, in Washington, DC to the proud parents, Charlette Me'Chelle Harrison and the late Antonio Lee Burnett Sr. Antonio affectionately known as Junior or June was called home suddenly on April 13, 2020.

Antonio was educated in the DC Public School System and would have been graduating this June from Coolidge Senior High School. Antonio's teachers remember him as a special young man who had an infectious smile and one who was very ambitious and living his life to the fullest. Antonio grew up in DC and in his early years, he was introduced to football where he found an extended brotherhood in the Pop Warner, Ward Five Warrior Organization. Antonio loved football and received accolades for his abilities on the field. As a "Warrior", Antonio was introduced to "Coach Kevin", who later became an instrumental part of his life, his mentor and more importantly, a father figure!

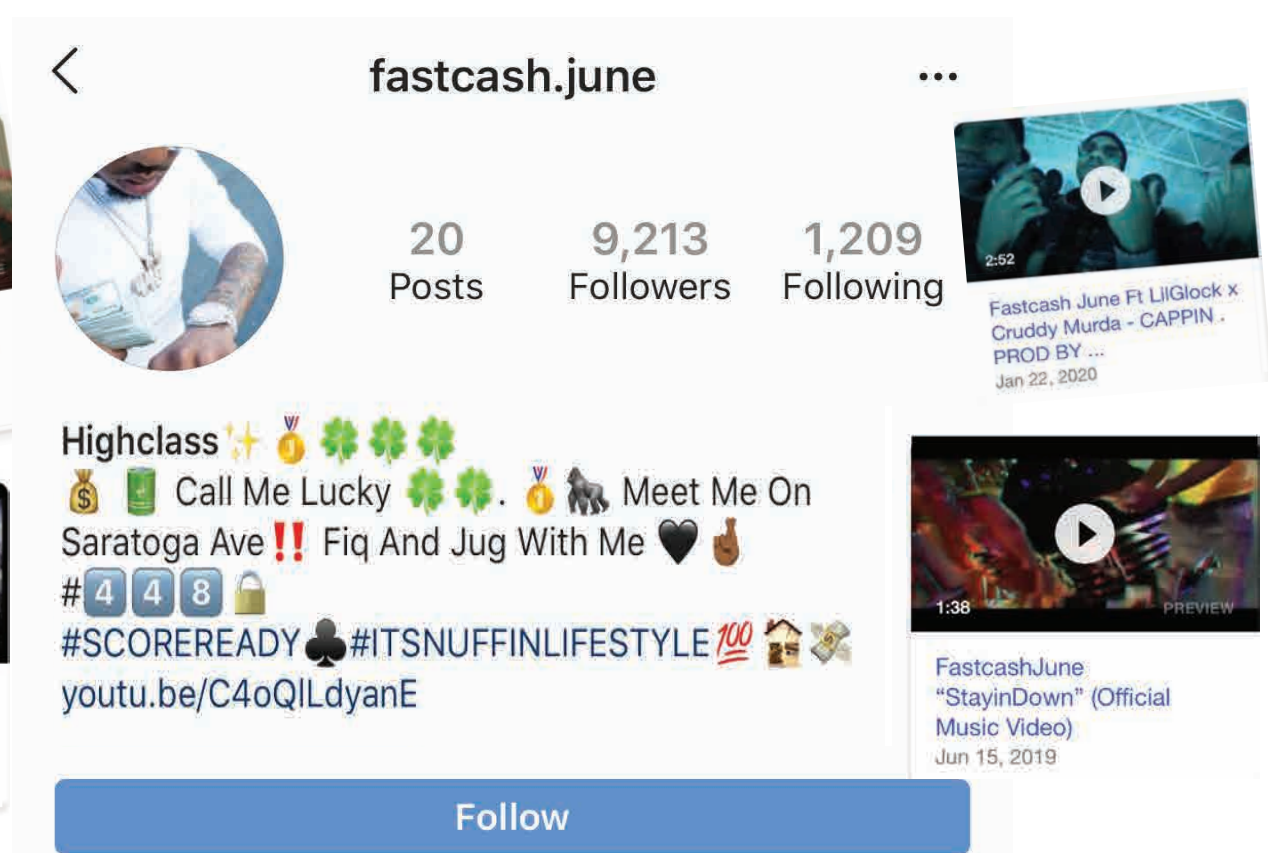

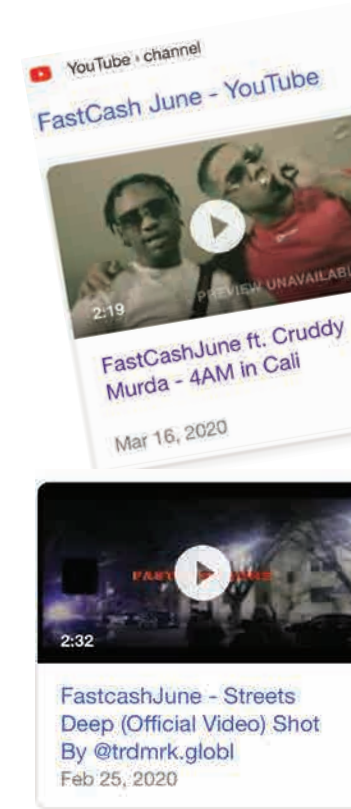

Antonio embraced Coach Kevin's mentorship and he followed Coach Kevin and his other Ward 5 family from Kingsman High School to Coolidge SHS in the Spring of 2019 to play football for him in his last year as a senior. During his last season, he along with his team brought home the championship, which was an epic accomplishment for the entire Colts family. Antonio received recognition in the DCIAA Stripes Football Division for his skills and ability as a Running Back. Not only was he a great football player, but Antonio also had a passion for music. At the age of 16, he started rapping, later to publish music & many videos that we can all reflect on in remembrance.

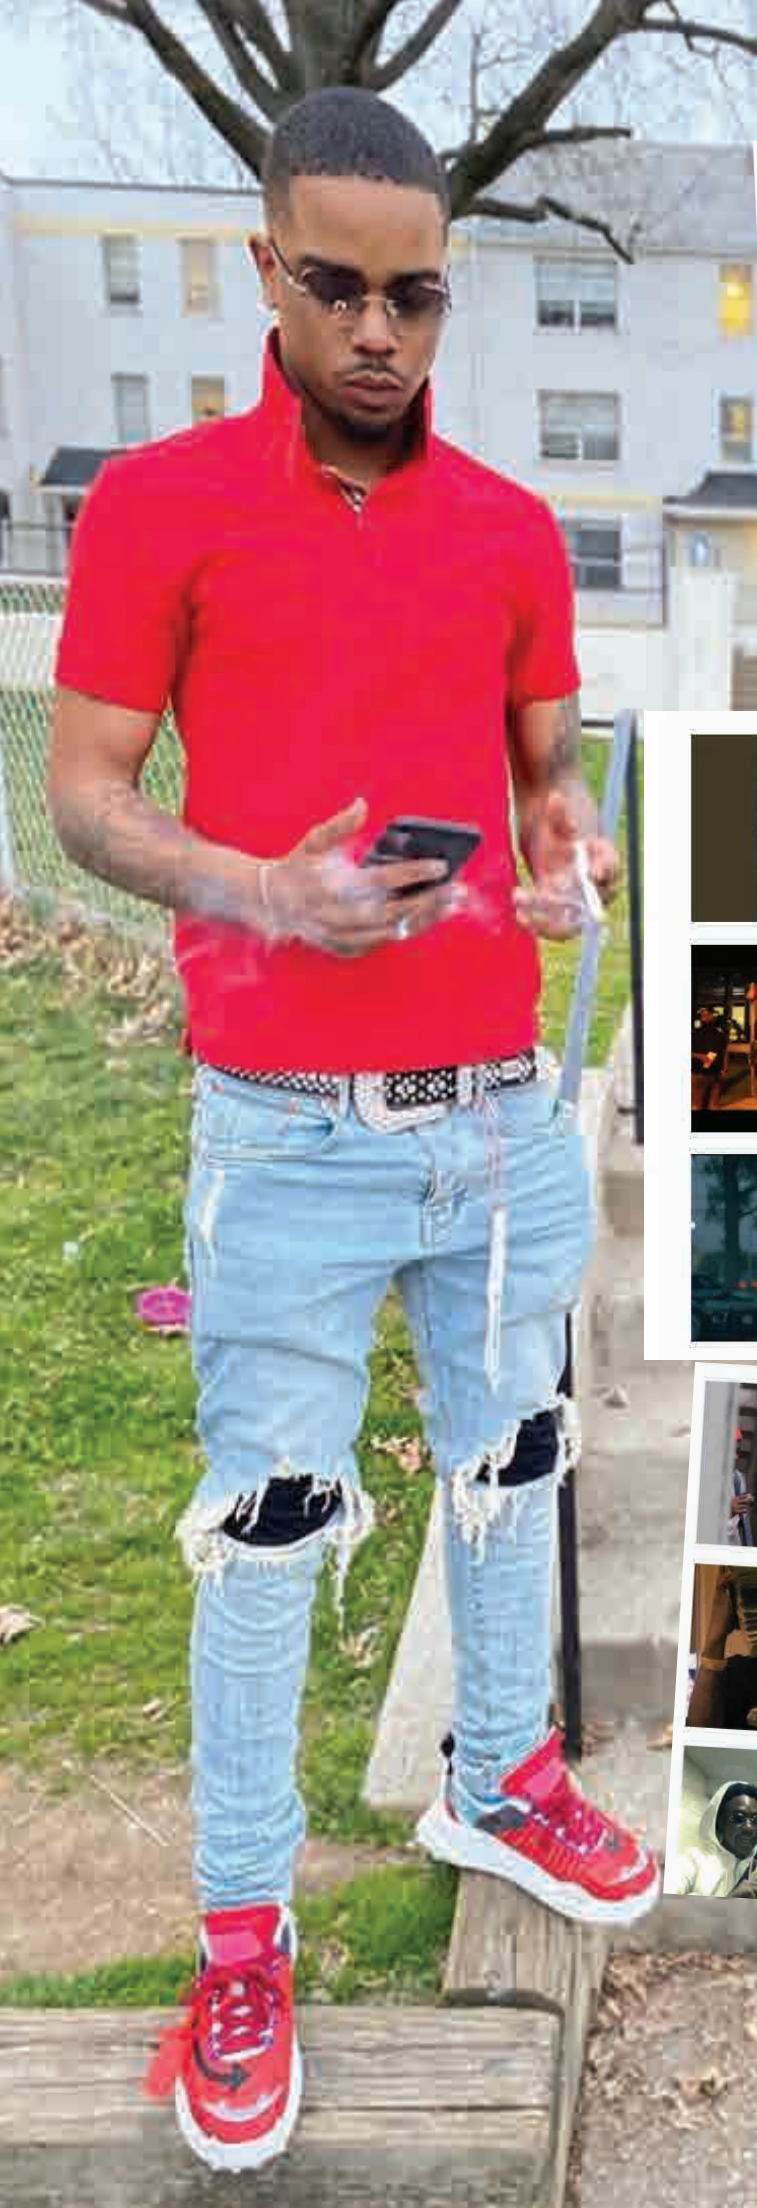

Antonio loved the outdoors and traveling with his family and friends. Just recently, he enjoyed his birthday in Los Angeles, California. Since Antonio was a kid, he traveled extensively with his family on family vacations. Antonio was fortunate to visit many places and encouraged his friends to travel as well.

Antonio was loved by everyone who met him. Most people who knew him described him as having "an old soul". Antonio's generous heart, brightened smile, endless sense of humor, kind spirit, and style touched many lives in his community and beyond.

From a very tender age, Antonio always "wanted to be in charge", thinking he was everyone's father, always showing leadership, and it didn't matter the age difference. He was particularly fond of his niece, NOVA, whom he adored. Antonio's friends often described him as one of the most benevolent and loyal friends that they have ever encountered.

Antonio is survived by his Mother (Charlette Me'Chelle Harrison); Great Grandmother (Glennie Davis); Grandmothers: Virginia Allen (Paternal), Lois Davis (Maternal - preceded in death); Grandfather: George Burnett (Paternal - preceded in death), Charles Harrison (Maternal); Sisters: Deja Harrison and Jordan Brooks; Brothers: D'Angelo Harrison, Delonte Harrison, Antoine Harrison and (extended brother) Jermaine Dukes; Aunts: Gwenda Davis, Christina Harrison, Dionne Davis, Renai Davis and Shannan Burnette Uncles: Roosevelt Davis, Gregory Burnette, Donald Wooten, Pierre Price, Terrell Washington, Gregory Adam, and Cameron Williams; Niece: Nova Poole; Nephew: Adonis Hughes. Junior also leaves to cherish his Godmothers: TraRhonda Crawford and Renee Jordan; Antonio's extended parents Kevin and Sherrie Nesbitt and an abundance of cousins who all had a special place in his heart. Tracy Johnson received the "Best Cousin Award" in 2019. Antonio had a host of extended brothers and sisters who all were dear to him.

# A Letter To My Son

A piece of my heart is gone Jr. I wish I could wake up and see you standing there. Then I would know that it was just a nightmare.

I remember when you were small and how you would hold my hand, and as you grew older you thought you was my father never really letting my hand go.

We laughed argued fought smiled and cried with one another for your short lived years. I never thought I would have to bare this pain of losing a child but I'm glad I got to experience your greatness in this world. Nothing about this process is easy, I'm still waiting on you to walk through the door and yell my name or interrupt a conversation I'm having with one of my other kids or your cousins. You excelled in everything that you put your mind to and I just knew that you would have the entire block out for this prom season.

Son, I have 19 years of memories and highlights that I will treasure and keep safe in my heart.

We share a bond that time and distance can never break apart.

I would love to have you back and never let you go. - Where there was happiness, now there is sadness and you left me with so many memories to look to for comfort.

I will look to the sky and search among the stars for my son and best friend. I know the island that you'll have ready for me will be beautiful fast cash style until then just invite all that you have joined to keep it cute until I get there.

I love you and pray that I will see you again one day .

 LONN LIVE CASH JUNE

From the depths of my heart, come the words of a brother, where our souls and our minds, are like that of no other. The spirit of competition, will always be there, in the look of our eyes, and the glance of our stare. Protecting each other, is always a must, good times or bad times, never losing that trust. They may have taken my brother but they can't take our love. We never lacked courage, or showed too much pride, with no thoughts of guilt, or feelings put to the side. It's important to strive forward, and not live through regret, but to savor the memories, and to never forget. To be such close companions, always made me so proud, never scared to express feelings, our emotions speak loud. I'm going to miss you saying you act just like ma and trying to show me that you were the boss. Whether it's heaven or on earth, our souls are always together. We share that sacred bond, knowing that brothers last forever. I'll miss you big brother. -Antoine

## Big Brother Blues

Don't think of him as gone away his journey's just begun, life holds so many facets this earth is only one. Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how he must be wishing that we could know today how nothing but our sadness can really pass away. And think of him as living in the hearts of those he touched... for nothing loved is ever lost and he was loved so much. -Tykeya

I can shed tears that you're gone  
 Or I can smile because you have lived  
 I can be regretful angry and outraged but that won't replace our years  
 I can close my eyes and pray that you will come back  
 Or I can open my eyes and see all the memories you have left  
 My heart can be empty because I can't see you  
 Or I can be full of the love that you shared  
 I can turn my back on tomorrow and live yesterday  
 Or I can be happy for tomorrow because Allah has given me another day to never forget you  
 I can remember you and only that you're gone  
 But I'd rather think of you as gone on a trip & cherish your memory and let it live on  
 I can cry and close my mind, be empty and turn my back on the ones that love me  
 Or I can do what you would want: smile, open my eyes, live love and go on.  
 I'll miss you little brother and hope to see you in Allah's paradise that you are now a part of. -D'Angelo

Today is full of memories of a brother laid to rest and every single one of them is filled with happiness.

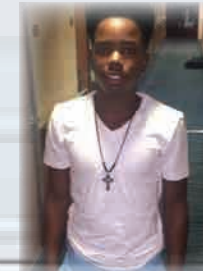

For you were someone special always such a joy to know and there was so much pain when it was time to let you go

That's why this special message is sent to heaven above for the angels to take care of you and give you all my love

From your God Brother Donald

I Am My Brother's Keeper  
 To protect you at all cost I would of put my life on the line I'd do anything to be in your presence one more time. There a hole in our hearts, the most unpleasant feeling Anger, Pain, Sadness, Rage, Misery; all unreeling In life, all five of us share an unspeakable, unique bond To wake up every day, expecting you here is turning me fond From the crying baby with the afro, to the crying kid with the fade To the brave young man, football player, rapper, jack of many trades. The laughs, the arguments, the drama, you always making a scene To us, habitually saying I love you every time even after we've been mean If its love that could of saved you, you would have never died There's a void in our hearts, nothing can fill it, not even a million cries. I know you didn't mean to leave us, just tell me you love me, I need to hear your voice. To leave without saying Goodbye is beyond me, but it wasn't your choice. I couldn't solve all your problems but you never had to face them alone

Big brother, you're in my thoughts every day and that's how it will always be. You may be in heaven now, but you will always be with me. I LOVE YOU ALWAYS!  
 Your Little Sister...Jordan

There's an unspoken bond between siblings, I'll kill you but I'll kill for you too Always on back on track, no matter the distance, the difference or the issue. We count on each other, even when we don't know it at the time I am my brother's keeper, I have always had your back and from heaven you'll forever have mines. -Deja
