

## I'M FREE

Don't grieve for me, for now I'm free.  
I'm following the path God laid for me  
I took his hand when I heard him call  
I closed my eyes and left it all.

I could not stay another day. To laugh,  
To love, to work or play.

Tasks left undone must stay that way.

I found that peace at the close of the day.

If my parting has left a void. Then fill it with remembered

Joy. A friendship shared, a laugh a kiss.

Ah, yes, these things, I too will miss.

Be not burdened with times of sorrow.

I wish you the sunshine of tomorrow. My life' been full.

I savored much. Good friends, good times, loved ones 'touch.

Perhaps may time seem all too brief? Don't lengthen it now with undue  
grief.

Life up your hearts with memories of me. God wanted me now, He set me  
free!
