

SO GOD MADE A STOCK SHOW KID

And on the 9th day after God made a farmer, God looked down on his planned paradise and needed someone to show off his prized creations.

So God made a stock show kid.

one also that would get up before school, feed, exercise, and groom his show animals

Then do it all over again, after school, in the heat, the cold, the driving rain, and even in that blowing snow.

So God made a stock show kid.

I need someone who will set an example for other young people one who is on the honor roll, plays music, plays sports and is involved in their church. So God made a stock show kid.

I need someone who will set a standard, who will teach a lesson about being a humble winner and gracious loser.

Someone who will travel all night, stay up all day and be ready for that show ring in five minutes.

So God made a stock show kid.

He needed somebody when asked, can fit a steer, sheer a lamb show a pig or goat.

He needed someone who can back a trailer, fix a flat, and ask for nothing in return.

So God made a stock show kid.

Someone who would bond a family together with a laugh, sigh and cry, with a smile in their eye.

Parents gaze across the show ring with a laugh, sigh, and sometimes a cry, with a smile in their eyes.

So thankful God made a stock show kid.
