

Fisherboy

By: Kathy Freestone Stewart

A serious blue eyed boy who wanted the name of Tarzan.

Went fishing with a tamerac pole when the fish bit he ran!

He caught a large whitefish nearly as big as he. That instilled a love for fishing that was plain for all to see.

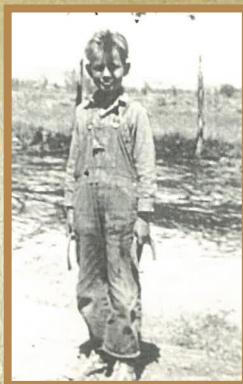

Though he still loves fishing he may go to the book or pen,

For God has changed his heart and he is now the fisher of men.

He will earnestly contend for the faith until he's through,

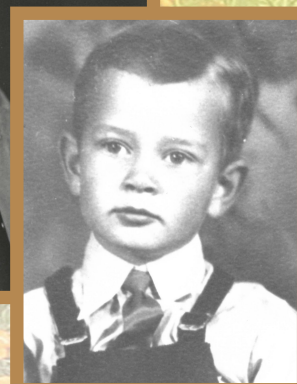

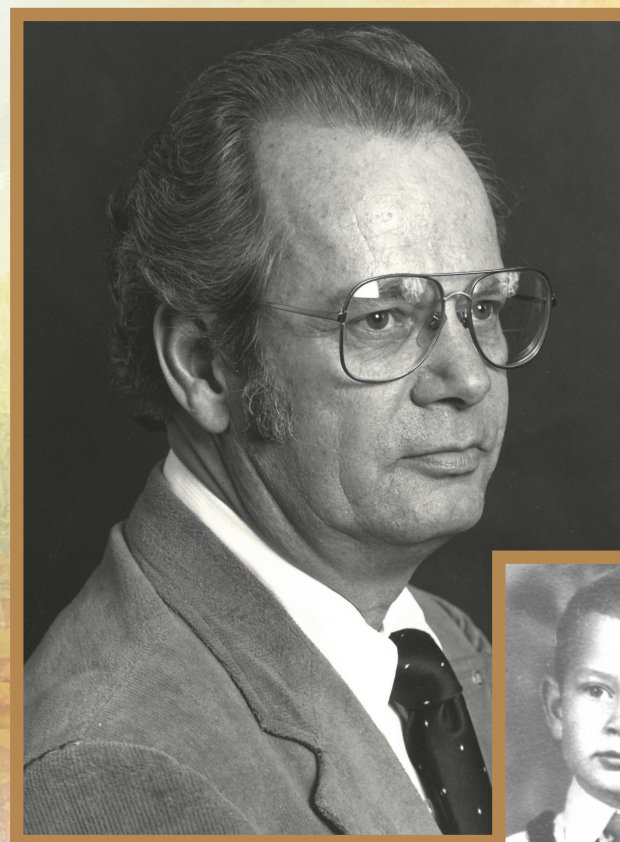

Many years yet to come he's only 62.

"Who is this little boy?"

On behalf of the family, thank you for your attendance at the services and for your many acts of kindness.
