

*MISS ME, BUT LET ME GO*

*Miss me, but let me go  
when I come to the end of the road  
and the sun has set for me.*

*I want no rites in a gloom filled room,  
why cry for a soul set free.*

*Miss me, but not too long,  
and wish not with your head bowed low.  
Remember the love that we once shared.*

*Miss me, but let me go.  
For this is a journey that we all must take  
and each must go alone;  
it's all part of the Creator's plan,  
a step on the road to home.*

*When you are lonely and sick at heart,  
go to the friend you know  
and bury your sorrows in doing good deeds.*

*Miss me, but let me go.*

*In Loving Memory*
