

Come Unto Me

*"Come unto me," I heard the Savior say.
His voice was kind and quiet
On my very special day.*

*It was a day of love and gladness
And a little sorrow, too,
For now I was moving on
Just like we all will do.*

*I gladly reached out my hand
And left this life I've shared
With all my friends and family,
For whom I truly cared.*

*I'm moving on beyond the veil
That separates us for awhile.
I've gone to be with loved ones, gone ahead,
Seeing them brings me a smile.*

*Your tears and pain of separation
Will change as time goes by.
I will miss you, as well,
Don't worry and please don't cry.*

*Even though right now
You feel a hole inside your heart,
Fill it with good memories
And let the comfort start.*

*For some day we'll be united
And enjoy our memories together
Remembering our precious times
While living in forever.*

*For all that Jesus promised us is true
He came and gave His life for everyone
Including me and you.*

*Please remember me with love
And know you're in my heart,
Someday we'll be together
Never again to part.*
