Lyrics from Dan Fogelberg's "Ever On":

May the trail rise up to meet you
May your heart rejoice in song
May the skies be fair above you
As you journey ever on
Ever on--ever on
Ever on--ever on
And in this planetary circle
We are but a single stone
Spinning on our fragile axis
Through the endless night along
Ever on--ever on
May your love be there to guide us
May it always keep us strong
May we walk within your footsteps
As you lead us ever on
Ever on--ever on
