## Acknowledgment

Perhaps you sent a lovely card or sat quietly in a chair; perhaps you sent a floral piece, if so we saw it there; perhaps you spoke the kindest words, as any friend could say; perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much whatever the part. May God forever bless each of you.

## *Yes I Will Let My Tears Flow*

Yes, I will let my tears flow for I know they will

melt the coldest snow

Yes I will let the tears flow because no one really

knows the love I have for you

Yes I will let the tears flow for they stop the pain

that come and go

Yes I will let the tears flow for you are near me

no more

Yes I will let the tears flow and flow and flow

Until the pain is no more
