

## Thoughts of Granny

Our beautiful mommy and grandmother, Granny Hayes, fought the good fight, but it doesn't make it any easier to know that we have lost her. Granny was, what others have said, to be the glue that bonded everyone. Those of you that know Granny know how encouraging she would be to everyone, always ending it with a huge hug, an "I love you," and that trademark Lip Stick on your cheek.

We will miss her more than we can describe, but we know she rests now with our Heavenly father; no more suffering and no more pain. I want to thank you Family, Friends, Classmates, Co-Workers and Community, for the support you all provided us as we find understanding. We love and appreciate you. Please continue to pray for strength for us, as we travel the rest of this life journey without her.

Take this opportunity to keep Granny's Legacy alive, encourage someone, tell them you love them, give them a big hug, and seal it with a kiss.
