## Heaven's Very Special Child

by Edna Massimilla

*A meeting was held quite far from Earth.  
It was time again for another birth.  
Said the Angels to the Lord above  
"This special child will need much love.  
Her progress may be very slow,  
"Accomplishment she may not show.  
"And she will require extra care  
"from the folks she meets down there.  
Her thoughts may seem quite far away.  
So many times she will be labeled  
"different, "helpless and disabled"  
"So, let's be careful where she's sent.  
"Please, Lord, find the parents who  
"Will do a special job for you  
"She will not realize right away  
"The leading role they are asked to play.  
"But with this child sent from above  
"Comes stronger faith, and richer love.  
"And soon they'll know the privilege given  
"In caring for their gift from heaven.  
"There precious care, so meek and mild  
"Is heaven's very special child"*
