## *From Mom & Dad*

You gave no one a last fairwell, nor ever said goodbye. You were gone before we knew it, and only God knows why. A million times "we will miss you," a million times "we will cry". In our hearts you hold a place no one else can ever fill. It broke our hearts to lose you, but you didn't go alone. For part of us went with you, the day God took you home. We will meet again someday, I know in a better place. I thank God he made you my daughter while you were here on earth.

Love beyond words, missed beyond measures,  
Always and Forever in our hearts- Mom & Dad

## *From Sons*

Mother, you were just a girl, so many years ago. You had your loves and your dreams. You watched us come and go. You watched us make some of the same mistakes that you had made before. But that just made you hold us tight, and love us all the more. We haven't always thought about the things you have seen. To us you've just been "mother". No thought of who you've been. But we remember now in love, and we're just glad we knew you as, mother, friend and grandmother

Love, Isiah & Gaumon

## *From Siblings*

Our hearts split in to, one side filled with memories, the other side died with you. We often lay awake at night when the world is fast asleep, and take a walk down memory lane, with tears upon our cheeks. Remembering you is easy, we do it everyday; but missing you is a heartache that will never go away. We hold you tightly within our hearts and there you will remain. You see life has gone on without you, but it will never be same.

# *I'm Free*

Don't grieve for me ,for now I'm free  
I'm following the path God has chosen for me  
I took his hand when I heard Him call me  
I turned my back and left all.

I could not stay another day,  
To laugh, to live, to work, or to play.  
Task left undone must stay that way  
I've now found peace at the end of the day  
If my parting has left a void  
Then fill it with remembered joy's,  
A friend shared, a laugh, a kiss,  
Oh yes, these things I too will miss  
Be not burdened with times of sorrow,  
Look for the sunshine if tomorrow

My life's been full, I savored much,  
Good friends, good times a lover's one touch,  
Perhaps my time seems all too brief,  
Don't lengthen your pain with undue grief,  
Lift up your heart and peace to thee,  
God wanted me now, He set me free....
