

The Broken Chain

We little knew that day, God was going to call your name. In life we loved you dearly, in death, we do the same. It broke our hearts to lose you. You did not go alone. For part of us went with you, the day God called you home. You left us beautiful memories, your love is still our guide. And although we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, the chain will link again.

Your Loving Siblings

Farewell Dear Mother

Somewhere in our hearts beneath all the grief and pain,
Is a smile we still wear at the sound of your dear name. The precious word is 'MOTHER', you are our world you see, but now our hearts are breaking because you're no longer here with us. God chose you for His angel to watch us from above, to guide us and advise us and know that we're still loved. The day you had to leave us when your life on earth was through, God had better plans for you, for this, we surely knew. When we think of your kind heart and all those loving years, our memories surround us and we can't hold back the tears. We want to thank you Mother for teaching us so well, and though the time has come that we must bid you this farewell.

We'll remember all you've taught us and make you proud you'll see. We thank you our Dear Mother for all the love you showed us. Although you've left this earth and now you've taken flight, we know that you are here with us each morning, noon and night. We'll forever love you.
