

## *Never Forgotten*

We think of things you used to say  
and all that you would do, at some  
point, every single day, our thoughts  
will turn to you.

To lose you was a bitter wrench, the  
pain cut us to the core. We have  
cried until our tears have run out  
and then it seems we have cried  
some more.

This wouldn't be your wish for us  
that we'd be forever sad, so we will  
remind ourselves of the happy times  
we had.

We know we can't be with you now  
but safe inside our hearts you'll stay,  
forever and always.

Rest in Paradise until we meet again!

*Your Loving Family*

## *Acknowledgements*

We offer our deepest gratitude for the compassion, sensitivity  
and most of all your prayers during this most difficult time. You  
all have been a rare comfort in what has been one of the most  
difficult times in our lives, and for that we will always be  
indebted to you. God's blessings to each of you.
