## You're Forever In Our Heart

For all you were to us in life  
And all the joy you all brought,  
Your memories are with us  
In every single thought.

The pain we felt at losing you  
Will never go away,  
But knowing that you all are in our hearts  
Helps us through each day.

When you all were here, we always felt  
That nothing could go wrong,  
But you all are still our inspiration  
And your memories keep us strong.

And though our hearts are heavy  
They are always full of love,  
And that's enough to comfort us  
While you all are in Heaven above.
