

### **I Miss You Daddy...**

You never said I'm leaving  
You never said goodbye.  
You were gone before I knew it,  
And only God knew why.  
A million times I needed you,  
A million times I cried.  
If love alone could have saved you,  
You never would have died.  
In life I loved you dearly,  
In death I love you still.  
In my heart you hold a place,  
That no one could ever fill.

~Your Children~

### **Dear Brother Your Memory Will Never Fade...**

My dear Brother now that you are gone, you're no longer here to share the bond we had together. A bond of love and care. Yet somehow something tells me you are watching over me. Now that from worldly cares you are finally free. I miss you so very much and my tears I cannot hide. Yet, within my heart, I feel you are always by my side. Ever since you went away life has never been the same. Yet, it comforts me to know that one day we'll meet again.

~Your brother, Keith~

### **Until We Meet Again...**

Those special memories of you will always bring a smile  
if only I could have you back for just a little while.  
Then we could sit and talk again just like we used to do  
You always meant so very much and always will too.  
The fact that you're no longer here will always cause me pain but you're  
forever in my heart until we meet again.

~Shakita aka "Boop"~

### **The Disaster**

You showed me a lot of things.  
I learned a lot I didn't know, but you forgot to teach me one last thing-  
How to let go. I know you didn't mean to leave me; sometimes we have  
no choice. I miss being your little sister, hearing my name called by you  
voice. I wish I got to say "I Love You" before you were given to the sky.  
If God could grant me one last wish, I'd ask to say "Goodbye".  
You always meant a lot to me. I could never love you less, I know it's  
true when they say, "He only takes the best".

~Your sister, Missy aka Mook~
