# I'M FREE

*Don't grieve for me for now I'm free,  
I'm following the path God laid for me.  
I took His hand when I heard Him call:  
I turned my back and left it all.*

*I could not stay another day  
To laugh, to love, to work or play.  
Tasks left undone must stay that way;  
I found my place at the close of day.*

*If my parting has left a void  
Then fill it with remembered joys.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too shall miss.*

*Be not burdened with times of sorrow:  
I wish you the sunshine of tomorrow.  
My life's been full, I savoured much;  
Good friends, good times, a loved ones touch.*

*Perhaps my life seemed all too brief:  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me;  
God wanted me now, He set me free.*
