Obituary

HILDA E. MARQUEZ was born on February 14, 1950 in Ponce, Puerto Rico to Ramon and Juanita Aquino.

She loved her family, she was a great mom and an even better grandma. She loved GOD, and her two grandsons. She visited and spent time at almost every senior center in any and all areas in Buffalo. There she spent many hours creating some beautiful art pieces that she shared with her family. She loved to participate in the senior trips.

She was preceded in death by Francisco Marquez II; and her loving grandson Jonathan Marquez.

Hilda leaves to cherish her memories, her daughter Hilda E. Marquez Jr.; son Francisco Marquez III; loving grandson Christian Lopez; and a host of family and friends.

Expressions of Love

Thank you for helping raise us and being another mom when our mom your daughter needed help with Jonathan and me you always loved us and have been there to take care of us since the beginning and I love you forever for that. There's now no more pain and I know that now you are in perfect health in heaven and in your angel form with Jonathan. I know God will take care of you and my big brother. I love you grandma, until we meet again.

~ Your Grandson Christian ~

You wonder why- I went away and didn't say goodbye, I couldn't begin to tell you, for I hate to see you cry, My ship came in this evening and beautiful it was to see. For the captain was King Jesus and softly he called to me. I ran across the leeway and fell down at His feet. He took me gently in His arms, my rest is now COMPLETE.

~ Your Grandson Jonathan ~

That night I called you to let you know that you are loved was a new beginning. You know everything I said was from the heart and was overdue. I hope now you are happy and without pain. Everyone loved you, I always loved you.

~ Your Son Paco ~

I always knew of all the sacrifices you made as a mom for me and Paco and I thank you. I'm also forever grateful for all your help with Jonathan and Christian. You made them feel happy and loved your entire life. I love you for that.

~ Your Daughter Ita ~

GRANDMA TO GRANDMA

God blessed us with our first grandson Jonathan. We now joined that Exclusive Amazing "Grandma Club." A special club and gift from God. All of our children, our grandchildren are truly a gift from God. He inherited your beautiful smile and "teeth." Now the two of you united in the bosom of God both smiling down from Heaven. Good and faithful servants "Well Done." As Brandon always says "What a mighty God we serve." Rest peacefully Grandma Hilda eternally in Heaven.
