With Appreciation

Words are inadequate to express the humbleness and gratefulness we feel toward all of you who consoled us during the death of our love one. Your prayers, your acts of love, your presence, and your giving have sustained us. Your cards, telephone calls, visits, gifts, services and giving were warmly appreciated. We saw all of these as God's love expressed through you.

Whatever you did to console our hearts, we thank you very much.

Please keep us in your prayers.
