

THE Link

*They say memories are golden,
well maybe that is true.*

I never wanted memories,

I only wanted you.

A million times I needed you,

a million times I cried.

*If love alone could have saved you,
you never would have died.*

In life I loved you dearly,

In death I love you still.

*In my heart you hold a place
no one could ever fill.*

*If tears could build a stairway
and heartache make a lane,*

*I'd walk the path to heaven
and bring you back again.*

*Our family chain is broken,
and nothing seems the same.*

*But as God calls us one by one,
the chain will link again.*
