

Sunflowers and Butterfly Kisses

*Walking through the sunflower fields she goes,
From the arms of loved ones she left to the loved ones waiting for her
She goes home
As gentle as the wind spreading butterfly kisses to her loved ones
Lighting up the sky with her love
Like a large sunflower after a rainstorm
Eighty-six years of sunny love
Embracing everyone with her warmth
Now her golden smile has turned to golden wings
She sends sunflower and butterfly kisses to all*
