

Do not stand at my grave and weep,
I am not there, I do not sleep
I am a *thousand winds*
that blow,
I am the diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you wake in the morning hush;
I am the swift uplifting rush
Of quiet birds in circling flight.
I am the *soft starlight* at night.
Do not stand at my grave and cry.
I am not there, I did not die.

*Time cannot steal the
treasures that we carry
in our hearts. Nor ever
dim the shining thoughts
our cherished past imparts.
For the memories of the
ones we loved still cast a
gentle glow. To grace our
days and light our paths,
wherever we may go.*
